STAFF REPORT

Board Meeting Date: September 18, 2024
Prepared By: Brett Hodgkiss

SUBJECT: DIRECTOR’S COMPENSATION

RECOMMENDATION: Consider revisions to Vista Irrigation District Rules and Regulations section 1.5.1, Director’s Compensation.

PRIOR BOARD ACTION: At its December 21, 2005 meeting, the Board amended the District’s Rules and Regulations sections 1.5.1 and 1.5.2 relating to allowable occurrences for director’s compensation and expense reimbursement. Since that time, additional amendments were made to Rules and Regulations section 1.5.1. At its September 3, 2008 meeting, the Board moved occurrences for which per diem compensation was pre-approved (attendance at a conference or organized education activity and attendance at an official event sponsored by another governmental agency or association) to requiring prior authorization from the Board in a public meeting. At its February 4, 2009 meeting, the Board clarified and affirmed its policy of not allowing per diem compensation for attendance at meetings and events which are solely organized as meal functions except when serving as an officer of the organization. At its May 21, 2020 meeting, the Board eliminated the one hour minimum duration requirement for teleconferences and webinars as a qualifying factor for per diem compensation.

FISCAL IMPACT: The fiscal impact will vary based on the allowable occurrences for which a director may receive per diem compensation.

SUMMARY: At its January 3, 2024 meeting, the Board discussed appointments to District committees and outside organizations; there was a brief discussion about adding (Vista Chamber of Commerce Government Affairs) and removing (San Luis Rey Watershed Council, Southern California Water Coalition and Groundwater Resources Association) organizations from the list of “Representatives to Outside Organizations” for various reasons. Staff advised the Board that adding or removing organizations from the list may require revisions to the Rules and Regulations; the matter would need to be researched and come back to the Board at a future date. The Board ratified the Board President’s appointments to District committees and outside organizations as presented.

DETAILED REPORT: At the August 7, 2024 Board meeting, Director MacKenzie mentioned that she had learned that the San Luis Rey Watershed Council ceased its operations a number of years ago; therefore, the organization should be removed from the list of outside organizations. It was noted that this action would require a revision to section 1.5.1 (B) of the District’s Rules and Regulations which currently permits a director representing the District at meetings of this organization to receive per diem compensation. The Board requested that an item be added to a future agenda to review and consider revisions to District Rules and Regulations section 1.5.1, Director’s Compensation, in its entirety.

ATTACHMENT: Rules and Regulations Section 1.5.1, Director’s Compensation

1.5 BOARD OF DIRECTORS

1.5.1 Director's Compensation

Each member of the Board of Directors shall receive compensation of \$210 per day (per diem compensation) for each day's attendance at meetings of the Board or for each day's service rendered as a member of the Board by request of the Board, and for each day while reasonably engaged in travel time to attend authorized meetings, up to a maximum of ten (10) days in any calendar month.

(Last revision: 4/17/2024: Ordinance No. 2024-01)

A. The following are occurrences for which per diem compensation is pre-approved for all directors:

- 1) Attendance at a meeting of the Board.
- 2) Attendance at a meeting of a standing or an ad hoc committee of the Board by members of that committee.
- 3) Attendance at new Director orientation meetings.

B. Per diem compensation and expense reimbursement is pre-approved for directors appointed to represent the District by the Board President, at meetings of water industry-related organizations including, but not limited to, joint powers boards, San Luis Rey Watershed Council, Groundwater Resources Association of California, Southern California Water Coalition, and legislative water advisory meetings.

C. Per diem compensation and expense reimbursement is pre-approved for directors duly elected or appointed to serve on the governing board or committee of another governmental agency or association to which the District is a member, at official meetings of said governing boards or committees, including, but not limited to, the California Special Districts Association, Local Agency Formation Commission (LAFCO), LAFCO Special Districts Advisory Committee, and Association of California Water Agencies.

D. Prior authorization must be received from the Board in a public meeting in order to receive per diem compensation and expense reimbursement for attendance at functions that constitute the performance of official duties. If prior authorization is not possible due to circumstances such as late notification of an upcoming meeting or event, the Board may take action following the meeting or event to ratify a Director's attendance; and such ratification will serve as authority for that Director to receive per diem compensation and expense reimbursement for attendance at such function. Functions that constitute the performance of official duties include:

- 1) Attendance at conferences, seminars, training sessions, or educational activities, such as ethics training, harassment/sexual harassment training, continuing legal education seminars, and other events sponsored by professional organizations such as the Association of California Water Agencies, the California Special Districts Association, the Colorado River Water Users Association, the Water Education Foundation, and the Urban Water Institute.

- 2) Attendance at an official event sponsored by another governmental agency or association.

E. Attendance at meetings and events which are organized as meal functions such as the monthly Council of Water Utilities meetings and the quarterly California Special Districts Association, have been deemed non-per diem meetings by the Board except when serving as an officer of the organization. Mileage and expense reimbursement is permitted for attendance at these meetings with prior authorization of the Board in a public meeting.

F. For purposes of this section, attendance includes:

- 1) Physical presence at a meeting, event or occurrence listed in subsections A through D.
- 2) Participation by teleconference or webinar in a meeting listed in subsections A through C.
- 3) Participation by teleconference or webinar in a meeting listed in subsection D provided prior Board authorization has been received in a public meeting.
- 4) Participation in an approved home study or on-line ethics course or harassment/sexual harassment training, to meet the requirements of legally required Board training, when participation of the director has been pre-authorized by the Board in a public meeting.

G. Request for Per Diem Compensation

A director desiring compensation authorized by this section shall submit a claim for compensation on a form approved by the Board of Directors for this purpose within 60 days of the occurrence, except when a director desires to have such qualified compensation reported to PERS, which would require claim submittal by the 10th of the month following the performance of official duties in the preceding calendar month.

(12/21/05: Minute Order No. 05-12-107)

H. Reporting

A director who requests compensation for attendance at other than a meeting of the VID Board of Directors or its standing or ad hoc committees, shall provide a brief report of the meeting at the next regularly scheduled meeting of the Board.
